

# Tour Egypt! – October 7<sup>th</sup> – 19<sup>th</sup>, 2016: “Journey to the Center of Your Self III”

A Unique **Spiritual Pilgrimage** that will feature Lectures, Group Workshops, Site Visits, Meditation, Inner Healing while utilizing the Secrets of the Ancients

This Powerful Journey includes visits to **Mother Mary’s Tree**, a night in **Abydos**, the **Temple of Hathor** at **Dendera**, the **Temples of Karnak and Luxor**, a luxurious **5 Star Nile Cruise**, the **Temple of Horus and Sobek** at **Kom Ombo**, the **Temple of Isis at Philae** and the *Healing Hospital* at **Saqqara**.

Featuring **PRIVATE VISITS** Between the Paws of the Sphinx and the King's Chamber.

We will experience the powerful energies of the sacred land of Egypt as Patricia unveils the **Alchemical Secrets** hidden within the ancient Symbolism, Mythologies as well as the Energetic Architecture of the Temples and Monuments themselves.

**Yousef Awyan**, and **Mohamed Ibrahim**, our Tour Guide, will share their knowledge and wisdom at the ancient sites and point out the many anomalies that display the ancient’s use of advanced technologies.

*Learn how the Ancient Egyptian Neteru and Symbolism collectively provide multi-dimensional maps of the nature of our reality, the eternal holographic cycling of all life forms, and how we can achieve higher levels of consciousness and open the pathways to Ma'at, divine resonance, peace, vibrant health and balance within—and reflected without.*

Nothing we think is REAL really IS...

During this Sacred Journey within and without, we will seek to discover ourselves as we examine what is truly significant in our lives and what is a “programmed” illusion. We can learn to hear the pure essence of cosmic consciousness when we bring our hearts and minds into a resonance within. Through our group work and experiencing of the powerful energies of the ancient sites, we will be guided to take a look at ourselves with new perspectives—that will open pathways to an empowered future.

What alchemical secrets are embedded within the symbol of the Sema Tawy ?

### Sacred Initiation

**Sacred Initiation** occurs when we discover ourselves as we experience the universal reality that surrounds us. We increase our levels of awareness and frequency when we can, with positive and heartfelt intention, integrate an outside source of ignited light based energy and direct it inward (implosion).

Initiation into higher levels of awareness and consciousness does *NOT* require a guru, ceremonialist, high priest/priestess or self-proclaimed mystic to guide you, or by participating in rituals created with someone else's agenda.

**Sacred Initiation** occurs when we go *within* to experience the reflection of our and synergize the patterns and cycles of our body, mind and spirit with the universal matrix, collective consciousness and universal divine spirit of all that is.

This is the message that the Neteru left for us.

*Sacred Initiation occurs when we find a harmonious resonance with our natural environment, recognizing that we all beat to the tune of the universe, each uniquely, and yet collectively creating its marvellous and infinite song.*

After an early buffet breakfast shared together, our motor coach will bring us to an area hidden in the midst of the bustling life of modern day **Heliopolis** where we will find the peaceful sanctuary that houses **Virgin's Mary's Tree and Well in Matariya**. Here, according to a legend, Mary stopped and rested under the shade of a **sycamore tree** with Joseph and the infant Jesus during their travels in Egypt 2000 years ago. This tree (also associated with **Hathor** and **Nut**) has become famous for inspiring spontaneous healings. In a lovely shaded enclosure here, we will learn more about each other and our collective quest. Patricia will share the tenets of what the **sacred feminine** represented to the ancients and how we can utilize the healing and nurturing energy and the powerful protective love of the Mother within ourselves. ***This is the Sofia, the Suf, the wisdom of the divine feminine that offers us the hope of higher consciousness and inner peace.***

After lunch, Patricia will continue her Lecture at our hotel in Giza.

The Pantheon of Egyptian Neteru (gods and goddesses) ***symbolize aspects or forces of nature with multi-dimensional meanings and significance--*** including being representative of the 360 senses that the indigenous say we all once had, in a higher dimensional Golden Age called the "Age of Aten".

The lecture will include an introduction into how to view and experience the symbolism and energies we will be integrating at the sacred sites throughout our journey.

*As above so below; and as within so without-  
With this knowledge alone we can manifest miracles!*

Afterwards we will enjoy dinner together.

Overnight **Mercure Sphinx Hotel** - Giza (B,L,D)

**October 9<sup>th</sup> – Day 3 Sunday Egyptian Museum and Flight to Sohag and Abydos**

After breakfast, our air conditioned motor coach will take us to the world famous **Egyptian Museum** in Cairo, filled with many amazing artifacts collected from sites all over Egypt, including the gold sarcophagus & jewelry on display at the **King Tut Exhibit**.

Among the many artifacts that we will point out that show evidence of an ancient superior technology, is the **Schist Disk**, made famous by Hakim's observation that it was a bio-organic sound device.

After enjoying lunch together, we will board our flight to **Sohag** and check into the deluxe **House of Life Hotel, Health & Healing Center**, located a few minutes' walk from the **Temple of Seti I** in Abydos.

After enjoying dinner together, we will gather for a with a workshop where we will begin to identify the core beliefs that shape our perceptions of our reality.

Overnight **House of Life Hotel, Health & Healing Center (B,L,D)**

October 10<sup>th</sup> – Day 4 Monday **Seti I & Osirieon Temples, the Home of Om Seti, and the Sinki Pyramid**

### Contemplation

After breakfast we'll start our morning with a visit to the temples of **Seti I & the Osirion**.

At the **Seti I Temple**, dedicated to Osiris, we will discuss the symbolism as we view the masterful craftsmanship of the beautiful depictions that cover the walls. Behind this Temple lies the megalithic **Osirieon**, At the **Seti I Temple**, dedicated to Osiris, we will discuss the symbolism as we view the masterful craftsmanship of the beautiful depictions that cover the walls.

We will visit the room that **Om Seti** was most drawn to and where she would often sleep when she had the opportunity. We will have our chance to meditate and reflect in this powerful chamber.

Behind this Temple lies the megalithic **Osirieon**, similar to the **Valley Temple in Giza**, that the indigenous tell us is 35,000-50,000 years old or more. It is here that several depictions of the **Flower of Life** can be seen on the huge pillars. Local villagers claim that the water that accumulates in this structure has valuable healing properties.

After lunch we'll be treated to a visit to the last residence of **Om Seti** (16 January 1904 – 21 April 1981), known as the **Keeper of the Temple of Seti I** and draughtswoman for the Department of Egyptian Antiquities. She is especially well known for her belief that in a previous life she had been a priestess in Ancient Egypt, as well as her considerable historical research at Abydos. Her life and work has been the subject of many articles, television documentaries, and biographies. **A New York Times article described her life story as "one of the Western World's most intriguing and convincing modern case histories of reincarnation"**. We may even hear stories told of her life by those that knew her well.

Next we're off to visit the little known site of the **Sinki Pyramid**, one of nine small pyramids dating to the earliest dynasties of Egyptian history found along the Nile Valley. It is said and written that the pyramid is built from mortar and limestone, however, upon close inspection we discovered the site was littered with blocks of petrified wood. A very powerful area, we will have time to wonder the site for more clues, and have a group meditation.

**Patricia will lecture in the evening on the mysteries hidden within the Temple of Hathor at Dendera to prepare us for our visit tomorrow.**

Overnight **House of Life Hotel, Health & Healing Center (B,L,D)**

October 11<sup>th</sup> – Day 5 Tuesday **Dendera Nurturing**

After our buffet breakfast, we will be driven to **Dendera** to visit the incredible **Temple of Hathor**, a site that **Chris Dunn** remarked should have been listed as one of the ancient wonders of our world! Star maps depicted on the ceilings in this temple, and the replica of famous **Dendera Zodiac** (the original is displayed at the Louvre in Paris) point to the ancient origins of astrology and superior knowledge of our Solar System and its Cycles...and Cycles within Cycles.

**Hathor (Het-Hert)**, the Netert who personified motherhood, beauty, sexuality, love, joy, harmony, dance and music was often associated with the planet, Venus. She was known as the **Lady of the Stars**, and represented the nurturing solar *food* of the Sun's rays, required for birth, growth and renewal. Learn how we can utilize the feminine energies that Hathor represents throughout our pilgrimage of self-renewal.

We will explore the significance of this extraordinary temple together and then allow for time for everyone to explore its essence individually. We will conclude our visit with a group discussion and meditation in a special place on the temple grounds

***Hathor tells us that she is the Alpha and Omega, all that is, all that was, and all that ever shall be- and so are you.***

Afterwards we'll drive to Luxor and check into the Deluxe 5-Star **Maritim Jolie Ville Kings Island Resort** situated on its own private island, surrounded by the majestic Nile River.

A lovely buffet dinner will be waiting for us and we will have free time to enjoy the amenities of this beautiful island resort. Overnight [Maritim Jolie Ville Kings Island Resort](#) (B, L,D )

**October 12<sup>th</sup> - Day 6 Wednesday** [Morning free, Afternoon Lecture and Luxor Temple](#)

You will have the opportunity to enjoy an *optional* [Hot Air Balloon](#) ride over the West Bank.

**An afternoon Lecture will be presented by Patricia**

We will have time for shopping before our evening visit to the [Luxor Temple](#)

### [Luxor Temple](#)

We will explore the mysteries of the enigmatic [Luxor Temple](#) in the early evening. Linked to [Karnak Temple](#) by the [Avenue of Sphinxes](#), [Luxor Temple](#) utilizes similar patterns of sacred geometry in its design.

After 15 years of intense study, Alchemist, **R. A. Schwaller de Lubicz**, called the [Luxor Temple](#)-**“The Temple of Man”** , in a book in which explored the connectedness of ancient Egyptian philosophy, spirituality, mathematics, and science. Lubicz’s theory that the [Luxor Temple](#) was designed to replicate all aspects of Man (body, mind and spirit), is well documented and has gained support from many alternative researchers, including John Anthony West. After our dinner on the ship, the rest of your evening is free.

**Overnight [Maritim Jolie Ville Kings Island Resort](#) (B, L, D )**

**October 13<sup>th</sup> - Day 7 Thursday *Felluca on the Nile, Desert Workshop with Bon Fire* Release!**

After breakfast **Patricia will provide personal intuitive counselling sessions**. Free time can be spent swimming in one of the Jolie Ville's beautiful pools or journaling on the patio by the riverside.

Next we will check into our rooms on the luxurious **5 Star Alyssa Nile Cruise** ship and have lunch before embarking on our **Felluca ride on the Nile**.

**Bring your journals! Tonight we will gather beside a desert bonfire for a final release!**

Today we will focus on releasing old patterns to prepare a space for creating beautiful new symphonies in our lives.

**It will be a celebration of release and passing of illusions---and the promise of new and unlimited potentials!**

Afterwards, we'll have a buffet dinner together on board our cruise ship and meet on the upper deck afterwards for reflection.

**Overnight Alyssa Nile Cruise (B, L,D)**

**October 14<sup>th</sup> – Day 8 Friday *Karnak and Mut Temples and Lecture* Self-Empowerment!**

Early morning visit to **Karnak**, the world's largest temple. We will visit the powerful **Chapel of Sekhmet**, the Netert who represents the **potent and purifying energies** of the sun. **Sekhmet** personifies the solar rays that provide the electromagnetic energy required to sustain life and the earth's grid. As the lioness, she symbolizes the powerful and fierce, yet protective love, akin to that of any mother.

**Sekhem** means “power” and **Sekhmet** is the electrical spark that provides the necessary energy to perform what we have been told are mystical, magical and powerful feats, including the healing of the physical body. **She is the Life Force.** Be prepared to experience a morning you will never forget!

*The powerful sacred geometric design and natural elements of the architecture itself has the ability to transform and raise levels of awareness and consciousness*

Next we will visit the newly opened **Precinct of Mut**, one of the four main temple enclosures that make up the **Karnak Temple Complex**. **Mut** is the Neter who represents the Sky at Night. She is the consort of **Amun** and gave birth to the moon, **Khonsu**. It is said that 720 or 730 statues of the leonine **Mut** (one for every day of the year, morning and evening) once graced this area that is cradled by a crescent shaped sacred lake.

Shortly after returning to our ship, we'll have lunch and set sail on our spectacular **Cruise on the Nile**. Enjoy viewing the lush countryside and life along the river's banks, much of which appears as it did thousands of years ago!

Dinner on the boat and Free Time Overnight, **Alyssa Nile Cruise** (B, L,D )

### October 15<sup>th</sup> – Day 9 Saturday Nile Cruise , Workshop and Kom Ombo Temple

After breakfast we will gather together for a workshop. **Let the Magic begin!**

By late afternoon, our cruise ship will dock beside the **Temples of Sobek & Horus** at **Kom Ombo**. It is here that the ancient Initiates would face and learn how to digest their fear & anger (as represented by the **crocodile Neter, Sobek**), emotions that can severely inhibit our spiritual growth.

**Horus (Heru)**, shows us how we can become the heroes of our own inner journeys when we transmute or tame these 'beasts' within and ascend through the boundaries of our dualistic natures, being re-birthed into a self-empowered dimension of reality.

Overnight, **Alyssa Nile Cruise** (B, L, D )

October 16<sup>th</sup> – Day 10 Sunday **Elephantine Island, Nubian Village & Temple of Isis at Philae FULL MOON**

*On this powerful **FULL MOON** day, we will meditate on the infinite possibilities we intend for ourselves. We will embrace the magic of Isis, who embodies the unlimited potential that lies within each one of us.*

After breakfast we visit **Elephantine Island** that houses the temple that is dedicated to the ram headed Neter, **Khnum**, who was the “master of the mysteries of water”. **Khnum** is associated with manifestation and creation, which reminds us of our own *ability to manifest our heartfelt intentions*.

We will show you the area where many believe the **Ark of the Covenant** was once hidden on its possible travels to Ethiopia.

Next we'll enjoy a scenic boat ride to a **Nubian Village** located on the banks of the Nile. Here we will visit Fatima and her lovely family, and have time to shop at the Nubian Souks.

After lunch we will take a motorboat to the enchanting **Island of Philae**, and the powerful **Temple of Auset (Isis)**. **Auset** is associated with the ancients' most highly revered star, **Sirius**. The annual rising of Sirius was synonymous with the fertility and abundance that came with the flooding of the River Nile, which left huge deposits of silt, the very valuable black earth or “KMT” (Khemit) for which Egypt was named.

**Is this Cycle of Promise mirrored in a much larger Cycle of Ages and Consciousness?**

Patricia will offer much evidence to show that Isis represented much more than the promise of the fertility of the Nile. **Does she show us the way to increased awareness and enlightenment in this NOW moment?**

*According to a famous ancient myth, Isis goes out to find the “pieces of Osiris” that his jealous brother Set had divided him into—and magically makes him whole again. She copulates with him and the ascended Osiris is “born again”, 9 months later, as our Hero--- Heru, or Horus, the Son/SUN, rising on the Horizon.*

*We will gather at a special spot within this magical portal to celebrate our new wings and the dawning of our own brand new cycle of self-empowerment*

Overnight, **Alyssa Nile Cruise** (B, L, D )

**October 17<sup>th</sup> – Day 11 Monday** Fly to Cairo and Saqqara and Serapeum Testing our Wings

After an early morning breakfast, we’ll leave to the Aswan Airport for our flight back to Cairo. We will visit the **Serapeum** and the healing “Hospital” at the site of **Saqqara**, and see the ancient **Step Pyramid** attributed to King Zjoser. We will experience the *still active* healing energies of the ancient “Hospital” at Saqqara and discuss the many references to the importance of balancing the polarized energies within and without. **What does Imhotep represent—and how can we become architects of energy?**

Patricia will guide you through the **Mirror** – an opportunity to experience your own reflection.

*We exist as a luminous energy field organizing ourselves in a body, or as pure consciousness manifesting and temporarily experiencing this level of reality through our bodies.*

**The Serapeam** This subterranean complex houses a long hallway that runs in east/west directions is flanked by chambers that house gigantic, highly crystalline stone boxes. Many believe that Bulls associated with the Apis Bull cult were buried in them. **However--no bulls or human bodies were found in any of these huge boxes ---that were made with an extremely advanced technology.** When excavated in 1852, all twenty-four boxes, weighing 60-80 tons, had been plundered. Their lids had been pried loose and the contents taken. Our collective research shows that these boxes are far more ancient than the writings found on and around them, and were an integral part of a huge energy device. You need to view all the elements for yourself to truly fathom how it may have functioned.

Overnight **Mercure Sphinx Hotel** Giza (B, L, D)

October 18<sup>th</sup> – Day 12 Tuesday **PRIVATE VISITS TO SPHINX & GREAT PYRAMID**

**Khepers spread their Wings and Fly!**

After a late breakfast we will visit the **Giza Plateau** and see the **Valley Temple** before we celebrate our private time between the **“Paws of Tefnut” (the Sphinx)**. Here we will embrace the powerful healing and nurturing love of the great mother and welcome this into our hearts and into the new cycle we are entering into both globally and personally. We will have the opportunity to meditate together here at one of the most powerful spots on earth!

**Next...we’re off to enter the King’s Chamber of the Great Pyramid where we’ll be gifted with 2 hours of time to ourselves.**

We will all have the opportunity to initiate ourselves into our own new cycles. Each of us will be able to enter the resonance box to experience the energy field enhanced by resonant toning.

*Patricia will help you to achieve the tone of resonance within the highly crystallized granite of the chamber and “resonance box” during a group sound activation.*

*We will enjoy a Farewell Dinner together before returning to our Hotel*

Overnight **Mercure Sphinx Hotel**, Giza (B,D)

October 19<sup>th</sup> – Day 13 Wednesday

Following breakfast you will be driven to the Cairo Airport for your final departure. (B)

NOTE: This itinerary is subject to change due to conditions beyond our control.

**Workshops and Meditations will be facilitated by Patricia**

**Yousef and Mohamed will speak to us about the significance of the sites, and hold a space for us to experience them.**

*Each of us has our own set of patterns, our own bridges to cross. Some of us are stuck in habitual ways of seeing ourselves as vulnerable, incompetent, lonely, unlovable, stressed, or tired. Some of us see others as threats or competitors. Some react adversely to circumstances as varied as traffic jams or weather conditions. Some of us see ourselves through the lens of chronic illness or physical or emotional abuse. I don't diminish for one moment any of the responses we face when we arrive at a particular bridge and are frozen by a particular pattern that prevents us from stepping across. I only want to point out that it's possible, after recoiling from the first step, to pause for a moment, examine our thoughts, feelings, and sensations, and ask ourselves whether or not the things we accept as fact are true.~ Tsoknyi Rinpoche*

*Let's remove all that blocks our energetic patterns from flow-ering naturally and allow the Light within us to shine brightly!*

**Experiencing Ancient Egypt offers us an opportunity to begin our own inner journey through the Lion's Gate.**

## Featured Speakers from THE KHEMIT SCHOOL OF ANCIENT MYSTICISM:

Patricia Awyan

**KSAM Co- Director, Speaker, Researcher, Explorer, Symbologist, Spiritual and Life Counselor, & Artist**

Blessed to have been raised by parents who allowed me to express myself intuitively, in a beautiful isolated and natural environment in Bucks County, PA., I began my exploration of the Nature of this Reality from my early childhood. Driven by a lifelong passion to know why we exist and what our purpose is, my quest led me to the in depth study of the esoteric sciences as well as the physical sciences, mathematics, comparative religions, ancient literature, mythology, art history and symbology

Having worked as an Architectural Artist for several years, I learned much about the energetic nature of structure, and about Color Theory and how we experience the world around us through our visual sense.

I explored the physics of Color further, as well as the principles of digital technology, when I worked as a Color Specialist and Senior Account Manager, marketing digital copiers, printers and software.

All of this was an incredible preparation for the level of research that the **Khemit School** is currently undertaking. **The Neters, Mythology and Symbolism of ancient Khemit all combine to give us a brilliant vision and understanding of the nature of our reality, and how we eternally cycle through dimensions and stages of consciousness. They have given us an alchemical map for how we can work with these natural and holographic archetypal energies and patterns – in order to traverse these portals in this NOW moment.**

But it doesn't stop there! My journey has taken me to places all over the world; Spain, France, Scotland, England, Peru, Bolivia, Lebanon, Australia, and New Zealand, only to discover that there was a very ancient civilization, worldwide, that left these same clues...with different labels and icons---but, all virtually telling us the same story of who we are and where we came from. It's an exciting time to be alive!

Humanity is beginning to walk through a powerful portal together where our potential for living in harmony and unlimited self-empowerment will be heightened to new levels

As your intuitive guide and speaker throughout our journey together, I will relate the secrets of the symbolism and mysteries of the ancient Khemitians to the Shifting Energies of our current reality, as we enter this New Life Cycle, referred to by the indigenous, as the **Age of Kheper** or what many call The New Dawn. I will speak about the **Pantheon of Egyptian Neters** (gods and goddesses), who symbolize aspects and/or forces of nature with multi-dimensional meanings and significance-- including being representative of the **360 senses that the indigenous say we all once had. What are these Senses—and how can we RE-member them?**

*The information provided will help to enable you to embrace the potentials of the powerful energies that you will interact with at the Egyptian Temples and Monuments.*

## Yousef Awyan

**KSAM Co- Director, Speaker, Researcher, Explorer, Stone Mason and Musician**

Combining the wisdom given to him by his father, Abd'el Hakim Awyan, with his own research; Yousef will speak to us of ancient **Khemit**, a technologically and spiritually advanced civilization that existed during a Golden Age in Egypt that pre-dated Dynastic Egypt, as we explore the powerful sites here. He will cite irrefutable evidence and amazing anomalies that challenge the dictates of mainstream Egyptology. Yousef will show us how the powerful sites, purposefully chosen for their energetic properties, were transformed over the centuries-by many different civilizations.
